*In addition, we request that you do not change the structure or format of the file. Carefully review the text and consider our doubts that are pointed out in the manuscript (see the balloons), and answer the questions in a separate Word document.

Remember that all modifications (made in a Word document) must be done before publication. We will not be able to change anything after that.

We ask you to comply with the above requests and to send us the revised manuscript and accompanying reply letter as soon as possible so that your article can be published.
