

AUTHORIZATION FOR ARTICLE PUBLICATION

The paper titled "DIFFERENTIAL GENE EXPRESSION IN THE PERIPHERAL BLOOD OF CHINESE SANHE CATTLE EXPOSED TO SEVERE COLD STRESS" GMR 16(2) is in galley proof format, attached as a PDF* file.

I reviewed the entire manuscript carefully and checked the following:

- 1. Title;
- 2. Authors: initials and names for use by indexing services;
- 3. Institutions;
- 4. Abstract: all numerical values were checked carefully with text, tables, and figures;
- 5. Text:
 - 5.1. Figures and Tables:
 - All legends and footnotes were checked. Tables and figures are in accordance with their citations in the text;
 - All numerical values in tables and figures matched with the numerical values in the text;
 - 5.2. The spelling of all scientific names were verified carefully;
- 6. References:
 - I verified all references in the text with the final list;
 - I verified all references in the final list with the text;
 - I confirm that the content of the final list is my responsibility and is in accordance with the journal standardization for references.

*In addition, we request that you do not change the structure or format of the file. Carefully review the text and consider our doubts that are pointed out in the manuscript (see the balloons), and answer the questions in a separate Word document.

Remember that all modifications (made in a Word document) must be done before publication. We will not be able to change anything after that.

We ask you to comply with the above requests and to send us the revised manuscript and accompanying reply letter as soon as possible so that your article can be published.
